

# From Your Home To Ours

*Let Diversicare manage your transition in three easy steps.*

Transitioning a loved one into long-term care can be a difficult time. At Yorktown, we understand the stress that often accompanies finding the right healthcare setting. Our team will assist in managing a safe transition in three easy steps:

- 1** Recommend the type of care needed based on an evaluation of individual needs
- 2** Gather information required for admission, including:
  - History & Physical
  - Chest x-ray
  - Physician orders with current medication list
- 3** Navigate the cost of care and clarify payment options
