Diversicare of Oak Ridge

A Diversicare Transitional Care Center

www.diversicareofoakridge.com

At Diversicare, we treat patients with a broad range of complicated medical conditions. These patients are closely monitored by our nurses, therapists and their doctors, so their treatment plan can be adjusted in response to any changes in condition.

Short Stay Services Include:

- » Physical, Occupational and Speech Therapy
- » Transitional Care
- » Wound Care
- » Cardiac Care
- » Post-Surgical Care
- » Stroke and Neurological Disorders
- » Orthopaedic Conditions
- » Pulmonary and Respiratory Care
- » IV Therapy
- » Dialysis Care
- » Medication Management

Improve every life we touch | Provide exceptional healthcare | Exceed expectations
